Mass Reflection Sheets

Living out our Catholic faith is the greatest gift we can give our children. The best way to model for our children is to attend weekend Mass and have a discussion of the readings or experience during Mass, depending on the age of the child. To help in this process, a Mass Reflection Sheet will be given to each student this week. Please help your child fill out the sheet for the Mass you attend. Their teacher will be discussing the Mass readings and/or experiences that occurred during Mass. These will be given each week to your child.
